

## **Armonk Outdoor Art Show Announces its 62<sup>nd</sup> Show**

A weekend celebration of creativity and talent

*Armonk, NY, June 6, 2024-* The Armonk Outdoor Art Show will mark its 62<sup>nd</sup> show on Saturday, September 28 and Sunday, September 29. One of Westchester county's most anticipated annual events, the show is ranked among the top fine art shows in the country and is proud to showcase work from 140 exceptional artists.

Artists are selected by a panel of expert jurors who evaluate submissions on many factors including originality, visual impact, technique, and conceptual depth. Many leading artists are fortunate enough to be accepted multiple years and this fall's show will include familiar names of some best-selling artists. Close to 40 artists will join us for the very first time this year exhibiting across all the mediums the show features: oils/acrylics/watercolors, mixed media, printmaking/drawing/pastels, sculpture, photography/digital art, wearable art, and fine crafts. Art will be available at all price points, assuring there will be something for everyone.

The Family Activities Tent remains a highlight of the show for so many of our youngest visitors who enjoy the complimentary hands-on art projects for children, including a scavenger hunt, collages, clay, story time, and much more. It's easy to spend a full day discovering new art with the plentiful lunch, snacks, and dessert options available to visitors along with wine, beer, and cocktails.

Our dedicated volunteers, 300 strong, are committed to helping the community, with all net proceeds from the show going to the Friends of the North Castle Public Library, and ultimately supporting its two branches in Armonk and North White Plains. These funds allow the library to continue its vibrant educational and entertainment programs, as well as the Armonk Players theater group.

We look forward to another year of inspiring art, where individuals and families can spend the day and find their masterpiece.
